CHAPTER FOUR: DIVISIONS, REGIONS, CHAPTERS, COLLEGES, AND SPECIAL INTEREST GROUPS

I. ESTABLISHMENT

The Institute may establish Divisions, Regions, Chapters, Colleges, Special Interest Groups (SIGS) and other organizational units as determined appropriate and approved by the Board of Directors. All organizational units of the Institute must agree to and comply with a Charter issued and approved by the Board of Directors.

A. Organizational Units

1. Regions are defined as U.S. domestic organizational units, formed prior to 1.1.2019, based on geography (MWDSI, NEDSI, SEDSI, SWDSI, WDSI), and re-established with Region Charters in 2019.
2. Country Chapters are defined as organizational units based on national geography outside the U.S. with the exception of EDSI, (CDSI, ISDSI, QDSI as of 1.1.2021).
3. Divisions are broader governance structures, formed prior to 1.1.2019, within which regions and chapters operate (Americas, Asia-Pacific, Europe). MWDSI, NEDSI, SEDSI, SWDSI, and WDSI are part of the Americas Division, CDSI, ISDSI, and QDSI are part of the Asia-Pacific Division. New Country Chapters are to be attached to the corresponding Division. EDSI, originally established as a Division and re-established with a Division Charter in 2019, operates consistent with a Country Chapter.
4. Colleges and Special Interest Groups (SIGs) are organizational units based on discipline or interest area (Data Analytics and Statistics Instruction [DASI] as of 1.1.2021).

B. Formation

New Divisions may be created, consistent with DSI Bylaws, to facilitate effective governance of the Institute. The creation of new divisions shall be initiated by the Board, for example in response to changing global membership conditions.

New Country Chapters, Colleges, or SIG's may be created as a result of DSI members expressing interest in establishing such organizational units and fulfilling corresponding expectations.

A proposal to establish a Country Chapter shall include the following

1. A Statement of Intent in establishing a DSI presence in that country and the importance of the Chapter to the Institute.
2. Signatures from at least 10 Regular Members of the Decision Sciences Institute in good standing (i.e., dues are current) that reside in the country and express support for the chapter.
3. The name of a Founding Member who is a Regular Member of the Decision Sciences Institute in good standing that resides in the country and has agreed to lead the Country Chapter until a Board can be established.

A proposal to establish a SIG or College shall include the following

1. A Statement of Purpose defining the specific area of knowledge, learning, or technology of the SIG, and the importance of the SIG to the Institute.
2. Signatures from at least 10 Regular Members of the Decision Sciences Institute in good standing (i.e., dues are current) expressing support for the new SIG.
3. The name of a Founding Chair who has agreed to lead the SIG until elections can be held.

Once mutual interest in creating a new Country Chapter, College, or SIG has been established, a draft Charter shall be developed based on the corresponding DSI Country Chapter, College, or SIG Charter template. The Charter establishes expectations, responsibilities, and governance parameters consistent with DSI Policies and Procedures. Once said charter has been finalized, it shall be presented to the Board for approval.

II. MEMBERSHIP

A. Regional Membership for the Americas Division

As DSI Americas regions are not themselves legal entities, they shall not have members or collect membership dues, but may, through DSI, collect conference registration fees, donations, and other fees as they deem necessary.

B. Regional Membership for International Divisions and Chapters

International Divisions and Chapters may have members or collect membership dues as long as, (i) such Division or Chapter membership dues are deposited, monitored, and accounted for pursuant to all laws of the territory in which the division operates, and (ii) there is clear language in offer of any such membership that it does not include membership and/or benefits affiliated with the Decision Sciences Institute, who assumes no liability or legal responsibility whatsoever.

C. Board Membership

Only active, dues-paying DSI members may serve on the Board of Directors of any organizational unit of the Institute or nominate or vote for candidates for such office.

III. REGIONAL, CHAPTER, DIVISION ANNUAL CONFERENCES

A. Attendance

In order to promote Region, Chapter, and Division activities and services for Members, Region, Chapter, and Division Annual Conferences may accept as attendees both DSI members and non-DSI members. A registration list containing complete contact information (name, affiliation, address, email, phone, DSI member/non-member) of all attendees shall be compiled and provided to the Home Office at the close of said Annual Conference registration, if conference registration is not offered through the Home Office system.

B. Registration Fees

1. Each Region, Chapter, or Division Annual Conference shall institute a member and a non-member registration fee for all categories of registration.
2. The difference in fees shall be no lower than the lowest annual DSI membership fee existing globally. A Region, Chapter, or Division may choose to raise the fee differential above this amount and retain the difference.
3. U.S. Regions shall maintain a registration roster noting the number of member and non-member registrants. At the conclusion of their Annual Conference, the minimum fee differential shall be submitted to the Home Office for each non-member fee received. This reimbursement shall not include any additional fees regions may choose to implement.
4. Utilizing the registration rosters provided, the Home Office will reimburse U.S. Regions an amount for each active DSI member who registers for, pays for, and attends a U.S. Region Annual Conference in a given fiscal year. This amount will be determined annually at the DSI April Board meeting. Currently this amount is \$10.
5. The Home Office will reimburse each Region for merchant service fees for each non-member registration at the conclusion/reconciliation of the conference.

IV. REPORTS

- A. Each Region, Chapter, and Division shall submit an annual report of its financial status and of the preceding year's activities to the Institute's Board of Directors within two months of completion of its fiscal year.
- B. Each Region, Chapter, and Division shall submit the names, and email and mailing addresses of its officers to the Home Office within 30 days following the election of its officers.

V. AMERICAS DIVISION REGION FINANCES

A. Americas Division Region Accounting Framework

1. In order to satisfy requirements of the U.S. Internal Revenue Service, all fiscal affairs of the regions shall be overseen through the Home Office.
2. Each Region shall submit an annual budget to the Home Office by April 1 for the following fiscal year.
3. Each Region shall submit financial statements in June of each year to the Home Office. Such statements shall include those from any local bank accounts.
4. A Conflict of Interest Statement shall be provided by the Home Office annually to be signed by the Treasurer of each Region. This signed statement is to be included with the Region's financial statements.
5. Region fund balances as reported in the Institute's financial statements shall be reported to each Region at the end of the fiscal year.
6. At the end of the fiscal year, each Region shall be allocated a share of the investment gains/losses accruing from the Institute's investments as outlined below:
 - a. To calculate the average investment balance for the current year allocation, begin with the 2 preceding year's balances (average of 6/30/20x1 and 6/30/20x2). Use the investment balances as reported in the Region's audited financial statement. If a Region or Home Office have contributed or withdrawn funds from the investment account during the current year (6/30/20x3), the 06/30/20x2 balance is updated to reflect that activity before calculating by adding/subtracting the additions/withdrawals from the 6/30/20x2 balance.
 - b. Calculate the percentage that the Home Office and each Region make up of total investment funds. This is done by dividing the average investment balance per Region or the Home Office by the total average investment balance.
 - c. Once the percentages for each Region and the Home Office are calculated, multiply the total investment income/(loss) for the current fiscal year (i.e., for the fiscal year ended June 30, 2018, investment income/loss earned from July 1, 2017 – June 30, 2018) by the percentage calculated in step 2 for each Region and the Home Office. This gives the amount of investment income/(loss) to be allocated to each division.
7. Year-end allocations of annual returns on investments to Region includes interest earned on Certificates of Deposits, checking accounts and Money Market accounts, and dividends and capital gains on equity investments.

B. Americas Region Accounting Procedures

To satisfy U.S. Internal Revenue Service requirements, all Regions' financial transactions shall be processed in accordance with the ***Guidelines for Regional Financial Management 2020***.

C. Americas Division Audit

Each Region is subject to audit as a part of the Institute's regular auditing procedures. Upon recommendation of the Institute's public accounting firm, each Region shall make available the information required for the audit.

D. Other Policies
