

DECISION SCIENCES INSTITUTE 2022 ANNUAL CONFERENCE

November 19 - 21, 2022

Marriott Marquis Houston

1777 Walker St.

Houston, TX 77010

We invite you to join DSI as an exhibitor as we host our 2022 Annual Conference this November in Houston, Texas. This will be our 53rd year of service.

Decision Sciences Institute is a professional organization of academicians and practitioners who are interested in the application of quantitative and behavioral methods to the problems of our society. Our members have a keen interest in your company's ideas and publication, and are eager to learn as educators and disseminate information dealing with decision sciences.

Your participation in the DSI 2022 Annual Conference will ensure your organization receives maximum exposure as you display your products and services to our attendees. The exhibit space we have designated at the Marriott Marquis Houston is part of the major activity center of the meeting. This large, carpeted hall will be located adjacent to the registration area and the member lounge as well as all breakfasts/coffee breaks.

Exhibit booths are scheduled to open on Saturday, November 19 at 9 am. However, vendors are welcome to open earlier to take advantage of the registration opening at 7:30 am and breakfast crowds on Saturday and Sunday that start at 8 am.
