Charges						
2022-2023 charge	<i>Propose programming to support new faculty, defined here as faculty in their first three- four years of teaching. The scope of this programming should include new faculty who are not necessarily newly graduated, but instead are new to academia from industry. Nonetheless, it is encouraged that a portion of the programming complement the existing annual doctoral consortium by continuing support of those participants after they are hired. Address content, modality (likely mixed, as this does programming does not need to be confined to a single event or instance) and budget required, such that the DSI Board might vote on the opportunities at its February 2023 board meeting, to potentially implement in the following year. In your report, please include as many willing task owners for future pilots as you can identify by the report deadline.</i>					
	<i>Should the committee develop any online synchronous programming component, please explore its potential as a further component of the Summer Conference project under development in the Conference Committee. Its modular nature is also similar to a project under development in the Professional Development Committee; coordinate with both Committees as needed. Due date: January 31, 2023.</i>					
standing charge	<i>Develop and execute a plan for a new member event at the 2022 conference. Due date: September 30, 2022.</i>					

Nominating Committee (2022-2023)						
Function	<i>The Committee shall nominate candidates for open positions on the Board of Directors of the Decision Sciences Institute (DSI). The Committee reserves the right to nominate only two candidates when no qualified individuals are available for each position, except for President-Elect.</i>					
Strategic Plan Alignment	<i>Thrust Area A: DSI Members</i>		<i>Goal A3: Increase engagement of visible scholars</i>			
	<i>Thrust Area C: DSI Capabilities and Resources</i>		<i>Goal C2: Increase member engagement and volunteerism</i>
