<b>Charges</b>				
<b>2022-2023 charge</b>	<p><i>Develop an actionable framework that describes a repeatable summer-time virtual conference for DSI members. Identify resources and budget required, such that the DSI Board might vote on the opportunities at its February 2023 board meeting, to potentially implement in summer of 2023. In your report, please include as many willing task owners for future pilots as you can identify by the report deadline.</i></p> <p><i>In framing potential conference activities, please concentrate on developing opportunities to share research and/or learn research methodologies and/or teaching related workshops. Please note the synergies of modular projects under development in the Professional Development and Membership Services Committees; coordinate with both Committees as needed. Due date: January 31, 2023.</i></p>			
<b>Standing charge</b>	<i>Analyze submission patterns by tracks to current year's annual conference and advise the Board of any recommendations or changes to the Standard Tracks model going forward. Due date: Nov. 1st</i>
